

INTRODUCE A FRIEND: and earn a cash bonus

If you introduce a friend or workmate to Payscheme Plus and they use our services for a minimum period of six weeks* we will send you a cash bonus of £150 as our way of saying thank you.

HOW: does it work?

- Once you've introduced someone to our services fill in the introduction bonus application form below. List the person(s) name(s) together with approximate dates they've worked.
- After they have worked for six weeks* using Payscheme Plus' services sign the form and send it to us.
- We will immediately send you your £150 bonus for each introduction.

It does not matter if the weeks are not continuous, but the six weeks must be worked within a ten week period. You do not have to be currently working with us to claim the bonus.
